

Richland Restoration League

Dear Friends and Families of Historic Richland Church,

Our Annual Membership Drive is underway for 2023! Thank You for your support in the past and we are asking for your continued support in 2023 through your contributions to Richland Restoration League.

We rely on funding from Membership Dues and donations to fulfill the mission of Richland Restoration League to protect and preserve Historic Richland Church. Membership dues provide basic funding for everyday operating expenses such as security, lights, insurance, grounds maintenance and building maintenance. They are a key source of support for Richland Restoration League which is a tax-exempt organization (501 (c) (3).

Now more than ever, there is a significant need for your contributions as we strive to increase our membership base which is essential to the future efforts to preserve and protect Historic Richland Church. **We can't do it without you!**

There are several ways to join Richland Restoration League. Please fill out the form below with your information and return with your payment in the envelope provided or visit our website or donate by PayPal or credit card. Use PayPal for automatic monthly contributions if you like.

Please plan to join us for Homecoming on Sunday Oct 2, 2022 for a traditional "Dinner on the Grounds" and our Christmas event on December 2nd and 3rd.

Historic Richland Church was about more than theology, it was about community. "The rural churches were among the few institutions that provided an identity to the communities that surrounded them. Many are gone, but those that remain are cultural icons that speak to the history of the region in a way nothing else does". Dr Wayne Clough, Sec. Emeritus of the Smithsonian Institute.

MEMBERSHIP MATTERS!

Thank you again from the Trustees of RRL
